

2021 MSP Outstanding Ph.D. Graduate Award

The MSP Outstanding Ph.D. Graduate Award is given to a new Ph.D. graduate who has exhibited excellence in the Ph.D. Mathematics program of a Philippine university. The award consists of a plaque and a cash award of PhP 10,000.

A nominee must be:

1. A Ph.D. Mathematics graduate of a Philippine university who obtained the Ph.D. degree in the last four¹ academic years prior to the year of the award (AY 2016 – 2017, AY 2017 – 2018, AY 2018 – 2019, AY 2019 – 2020 for the 2021 award).
2. Less than 37² years old within the year of the award;
3. A Filipino citizen; and
4. Currently affiliated with any of the following:
 - research institution or firm (government or private);
 - college/university;
 - scientific society (academic or professional).

Nominations must be made by heads of government or private academic/research institutions, departments of colleges or universities, or academic or professional scientific organizations or societies.

Judging is based on:

1. Ph.D. Thesis and scientific publications based on the thesis - 60%
2. Grades in Ph.D. math courses – 20%
3. Other scientific work and publications, contributions to the advancement of mathematics in the Philippines, etc. – 20%

Please submit (through email) the following **on or before 30 April 2021** to Ms. Gaudelia Ruiz (guey@math.upd.edu.ph or gueyrui@gmail.com):

1. Nomination form signed by head of nominating body;
2. Copy of Ph.D. Thesis and scientific publications related to PhD thesis;
3. Transcript of Records (original or certified copy);
4. Copy of Ph.D. diploma or Certificate of Completion of Ph.D. Mathematics Program;
5. Recommendation letter from Ph.D. thesis adviser or former professor in the PhD program;
6. Supporting documents for other achievements.

¹ No call for the award was made for 2020 due to the pandemic. Under normal conditions, this award is given only to those who graduated in the last three academic years.

² The change in age limit is for the same reason as above. The age limit under normal conditions is 36 and not 37.
